

## Subscribe to our news updates

---

Perspective newsletters are published quarterly and are essential reading for anyone interested in complaints management and good decision-making.

- Perspectives is aimed at public sector officers and includes findings from recent investigations.
- Community Perspective directs information to community and advocacy groups.
- Ombudsman Advisories look at the findings from recent investigations.
- Training course updates keep you informed of where and when our next training courses are being delivered.

Please select the lists you would like to subscribe to. Mandatory field(s) marked with \*
