Get news updates

Perspective newsletters are published quarterly and are essential reading for anyone interested in complaints management and good decision-making.

- [Perspectives](#) is aimed at public sector officers and includes findings from recent investigations.
- [Community Perspective](#) directs information to community and advocacy groups.
- Training course updates keep you informed of when our next [training courses](#) are being delivered.

Please select the lists you would like to subscribe to. Mandatory fields marked with *

I want to receive newsletters from the Queensland Ombudsman. I can unsubscribe at any time. [Disclaimer](#) and [Privacy Policy](#).
